BEFORE YOU SUBMIT

Build to the live area

Keep every element that must not be trimmed inside the viewable area.

Match the file spec

Submit the exact format and resolution listed; no crop marks or trim lines.

Confirm the run dates

Send final artwork ahead of the agreed start date to hold the placement.

PLEASE NOTE All fonts must be converted to outlines before the file is submitted.

Questions on the build?

Email your artwork or ask for a template — we'll check the file before it goes to production.
